

Steps to Access Course Requests

1. Sign into your PowerSchool account. There is a link on the school website on the homepage if you don't have it bookmarked.

<https://www.mvuschool.org/>

2. On the left side of your page when you sign in there is a link called "Quick Links". Please click on that.

4. This next screen will show a breakdown of subjects for your grade level. To add a course in that subject click on the pencil icon on the left of the subject title. This will show which course options you have. Please note that in order to submit your course requests, the **RED** EXCLAMATION MARK needs to be a **GREEN** CHECK MARK once you have fulfilled the course request for that subject. This must happen in order to submit.

Click the edit button to request a course  !

5. Once you have a green check mark on each subject section. You can submit your requests. Please email your Guidance Counselor directly if you have any questions or need anything edited.
