

Missisquoi Youth Program
100 Thunderbird Drive
Swanton, VT 05488

2022-2023

Dear Parents/Guardians:

We want to introduce you to our highly successful program housed at Missisquoi Valley Union High School (MVU). Our belief is that children – at whatever age – need to have a sense of belonging. It is our intent for students to feel that our space is safe, inviting, and exciting. When referred, students will have the benefit of outstanding tutoring; thorough organizational skill development (check-in system, time management, to name a few); extensive college planning where your child will receive help with college selection, essay development, application review, and financial aid support; and post high school employment exploration through attendance at local job fairs, etc.

At all times, we work closely with MVU guidance, yet because our numbers are fairly small, we can individualize instruction/learning. All that we ask of you is: fill out the enclosed form and make sure the information is up-to-date and that you print and sign your name and we will then contact you.

We look forward to working together this school year. In these post pandemic years, our kids need every benefit that can assure their satisfaction and success. This program can provide the support necessary for our children to thrive. If you have any questions, please contact us at 802-868-7311, ext. 142. We look forward to hearing from you.

Jeff Benay
Director of Indian Education
